### **Woolly Jumper Day**

On Monday the 26th January the school is having a woolly jumpers day as part of the Big Energy Saving Week. All classrooms will run with minimal electricity (still with heating and essential lighting only). The eco council are monitoring the drop in electricity through the electricity meters in school to cut down on our energy usage.

We ask for children to wear non-uniform with a woolly jumper and to bring in £1 to raise money for this cause. The money will go towards brand new purpose built recycling bins for school.
