Eagles Visit to Headingley Water Treatment Works

Dear Eagles Parents/Carers,

The Eagles class topic work this term will be child-led, responding to the interests and questions the children generate around their topic. Their new topic of 'Water Works' raised lots of fascinating questions about how water gets from the clouds into our taps, how it is cleaned and what happens when we flush the toilet! In light of this, we will be visiting the Headingley Water Treatment works on Thursday 13th October 2016 to work with Yorkshire Water to explore all the answers to those yucky but interesting questions!

We will be leaving school at 12.00pm by coach and returning in time for 3:45pm. Children should wear school uniform and appropriate light coat / cagoule along with their outdoor school footwear. Lunch will be as normal at school, just slightly early so we are ready for the coach, but please remember to send a water bottle with your child.

If your child is taking medication on the day of the trip please clearly write their name on it and hand it to Mrs Hursthouse or Miss Freeman. Please complete a prescription form in the office before the trip if possible otherwise we are unable to administer it.

The cost of the trip is £9.50 and this includes a guided tour, workshops and transport. This is a voluntary contribution however we must stress that without the contribution, the trip would not be able to go ahead.

This visit is now set up on parentpay. When making payment online you also give consent by ticking the relevant box, this avoids completing paper slips. If you have any questions or concerns, please don't hesitate to ask or email at admin@kirksmeaton.n-yorks.sch.uk.

Many thanks for your support,

Mrs Hursthouse and Miss Freeman.
