

April 19th 2020

Hello Eagles,

How are you doing? I hope you and your families are well and that you are managing to stay fit and well.

It was nice to have some sun last week and although you couldn't go far or probably do the usual Easter activities you might do this year, I hope you got chance to get outside and get some sunshine.

I would love to see some of your work or activities you have been doing in order to pass your time. I have put two more weeks of work together which is now on the website, I hope you enjoy the activities. I have tried to make some of the activities a bit different from the normal school work that you might usually do, and hopefully fun and interesting. I have included files with resources in for you to use with the planning sheet for each week on the web site.

Please also feel free to use anything you might have found online etc. to help in any areas of the curriculum you feel you might want more work on, in order to help you further.(there are website links on the school website) Please don't worry or become stressed about your school work, as when we get back to school I will help you catch up with any areas you might have missed during this time.

What did you think of Room 13? Did you enjoy reading the ending of the book? Was it the outcome what you expected? Did you think the author was good at creating suspense? I really enjoyed finishing the book, although I did miss not sharing it with you all. We will have to talk about it together when we get back to school.

If there is anything you want to ask me or show me from your work, then please Email school. I will try to answer your emails each week as they are sent to me. You can also scan in work or take photographs of what you have been doing. Let me know which activities you have enjoyed doing the most. Have you done any of them with other family members? I have really enjoyed seeing and hearing about the lovely work and activities you have already finished from some of you. The standard of work has been impressive! Well done!

I am really missing you all and think of you all often.

Keep safe and take care.

Love Mrs Holmes x
