The Head Teacher and Pupils

28th October 2016

Dear All

I would like to thank you and your staff and pupils for the very generous donation of food from your harvest festival. Please convey our thanks to all your staff and pupils who helped make this possible.

It is only because of such generosity that the Food Bank can continue to operate at all and continue helping to feed people in need in our area.

Yours sincerely

Joan McCook
Food Bank Secretary
