Year 3 & 4 Visit to The Deep.

Dear Parents/Carers,

To support our new curriculum topic of 'Under the Sea' Lions class will be visiting the aquarium 'The Deep' in Hull on Wednesday 13th February.

This visit will bring our science, geography and artwork to life, alongside supporting the Eco focus of healthy oceans. The children will have the opportunity to explore the whole centre and partake in a workshop about sharks and their place within the ocean food chain.

Lions pupils will be leaving school at 9:00am prompt (by coach) and returning in time for usual home-time at 3:30pm.

Children should wear school uniform and their usual school footwear, in addition to a coat. All children are required to bring a packed lunch from home in a disposable container or bag and a disposable bottle of water. Unfortunately our school cooks are unable to offer a packed lunch on this occasion.

If your child is taking medication (other than inhalers or existing school medical needs), please clearly write their name on it and hand it to Mrs Hursthause or Mrs Brear on the day of the trip. Please complete a prescription form in the office before the trip if possible otherwise we are unable to administer it.

The cost of the trip is £16.00 and this includes entrance to the Deep, workshop and transport. This is a voluntary contribution however we must stress that without the contribution, the trip would not be able to go ahead.

This visit is now set up on parentpay. When making payment online you also give consent by ticking the relevant box, this avoids completing paper slips. If you have any questions or concerns, please don't hesitate to ask or email at admin@kirksmeaton.n-yorks.sch.uk.

Many thanks for your support,

Mrs Hursthause and Mrs Brear
