

We're taking part in NSPCC Number Day!

Dear Parents/Carers,

Kirk Smeaton CE school is taking part in the following event:

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 14th May 2021**.

Everything the NSPCC does protects children today and prevents abuse tomorrow.

The NSPCC needs our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every 25 seconds

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

- We are having a fun day of maths activities and we will be taking part in ***Dress up for Digits***. **Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt, or be even more creative by designing a costume/hat and dressing in a maths or numbers theme).**
- To help raise money for the NSPCC, we are asking for a **donation on the day**, and we'd love everyone in the school to take part in this special event.
- Please send in a donation to support NSPCC's work and hand in to the class teacher on the morning of the event.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. **All the money we raise at Kirk Smeaton School will make an enormous difference to children today and help NSPCC prevent abuse towards children in the future.**

Thank you for your support.

Mrs M Holmes
