Tuesday	Joe Wicks Keep fit Or Yoga from the internet or some other form of exercise	Maths Reasoning measuring different units- see resources work sheet Sp shed	Young person's story book To design and write a younger children's story book. You will need to bring this back to school to display in Starfish/Dolphin's class and you will read your book to some of the pupils in that class. If you have younger siblings read them some of their favourite books and ask them why they like them. If not, you can read books from the internet or zoom cousins/ friends etc. who are younger and ask them. What do you notice about the features of these books? What is the style? Eg how many lines per page? How simple is the language? Illustrations? Begin to plan a story. What theme is it? Eg animal story / pirate/princess /helping them in some way through a story eg being safe /explaining the corona virus etc. Plan what will be on each page. You will need about 10 pages.	Plan what your illustrations will be for each page. Research different illustrators and look at their styles or use your own.	Read a choice of your own book.
