

# Friendship Flower

I can explain the importance of Jesus' words at The Last Supper.

Write your name in the middle of your flower. Pass your flower to the person on your right. You will receive someone else's flower. On one of the petals write something you will do for that friend. Pass the flower on again and do the same on another flower. Keep going round until you get your own flower back!

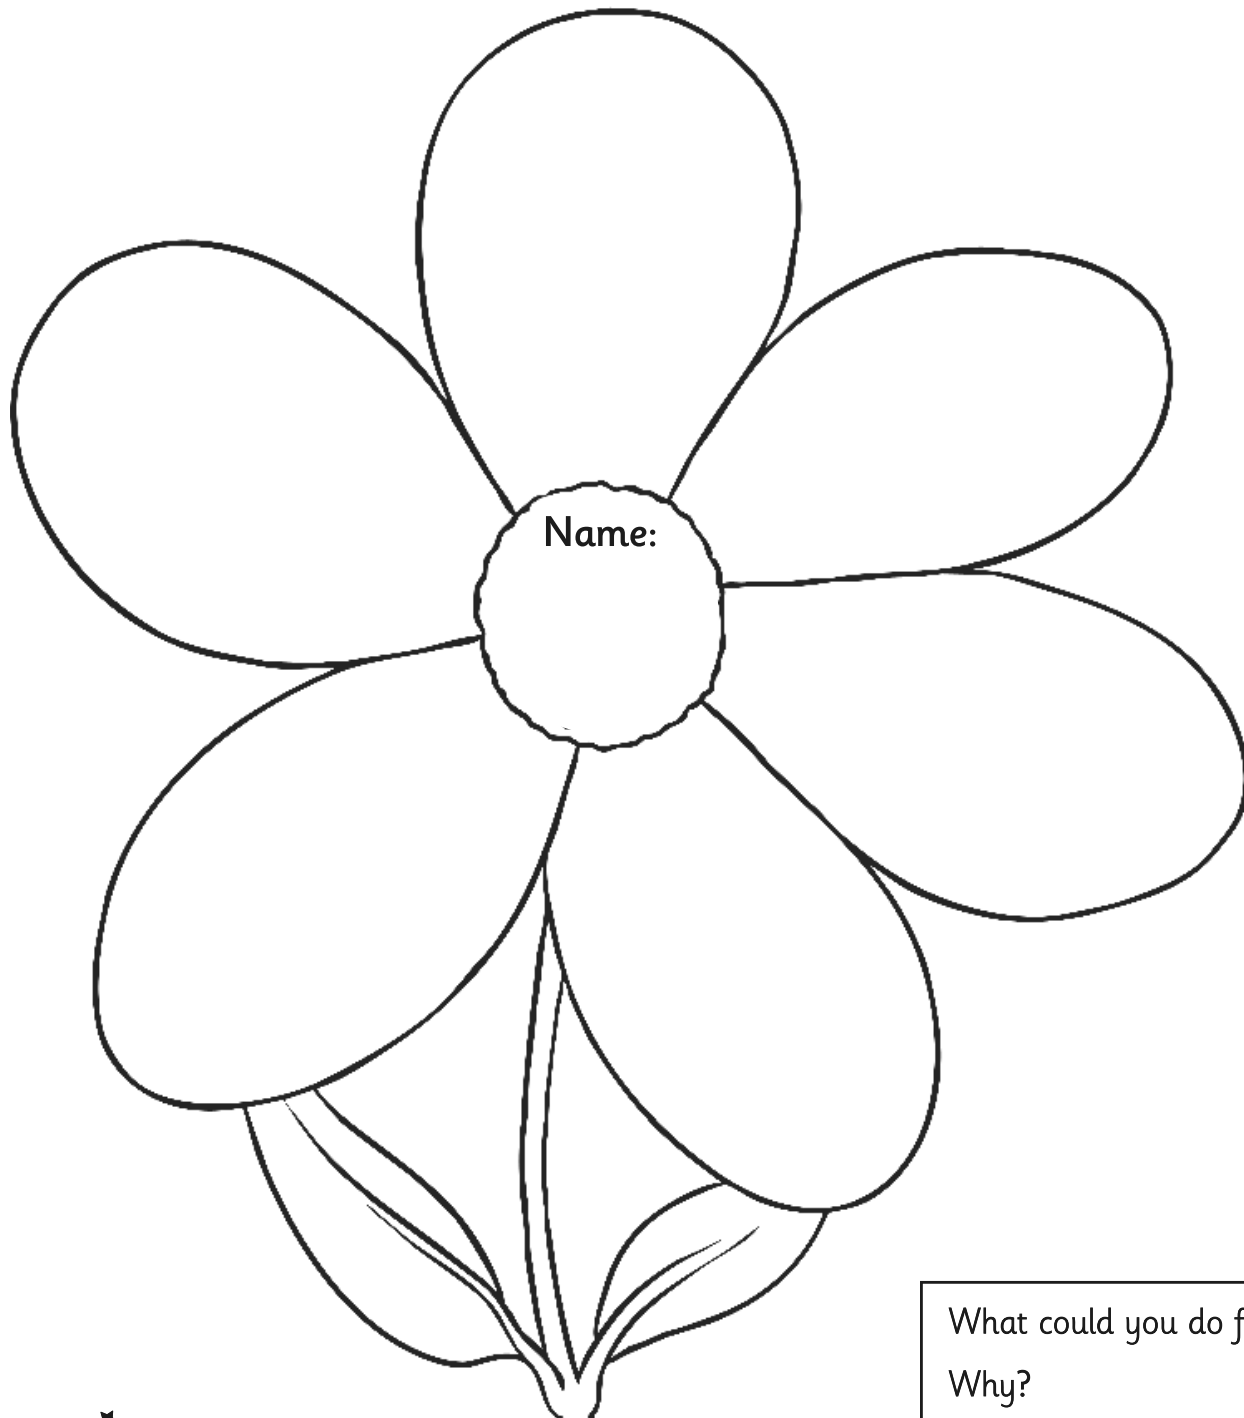

# Friendship Flower

I can explain the importance of Jesus' words at The Last Supper.

Write your name in the middle of your flower. Pass your flower to the person on your right. You will receive someone else's flower. Chose one of the empty petals to write in, filling the whole petal. Pass the flower on again and do the same on another flower. Keep going round until you get your own flower back!

What could you do for this friend?  
Why?
