

ICT- We will be learning how to produce a Chinese New Year card and will continue to learn how to access and use IDL, TTRS, Teach your monster to read and Spelling Shed using an internet browser.

PE- This term, we will be learning and performing our very own dragon dance.

Science- Through fun activities and investigations, children will explore the properties of materials, such as wood, plastic, metal, glass and fabric and start to explore the uses of everyday materials.

Art and DT- We will be creating and crafting throughout this topic. We will start by making Chinese fans, lanterns and musical drums. And then collaboratively produce a dancing dragon head and body. Alongside this we are going to be exploring Chinese food and will even have a go at making our own, to try in class.

PSHCE- This term we will be focussing on our own health and wellbeing and learning about aiming high and the importance of having high hopes and dreams for ourselves.

Chinese New Year

History and Geography- In History we will learn about the traditions of the Chinese New Year celebration and explore the story of the great race. In Geography we will learn about the 7 continents whilst learning how to locate Asia on a world map and explore the features and characteristics of China.

Maths- In maths we will be working on our addition and subtraction skills and will begin developing our money skills.

Music- We will be making Chinese musical drums and learning a Chinese song.

RE- We will be learning about Judaism and will find out about some of the key features and practices alongside exploring some famous stories in the Torah. We will learn about what it means to keep kosher, and investigate how the Torah teaches and guides Jews in their daily lives.

Literacy - We will continue working upon our sentence structure this term, whilst writing our very own adventure stories based upon George and the dragon.

We will be reading 'Chinese Fables: The dragon slayer and other timeless tales of wisdom' for our whole class reading this term!

Dolphins Spring 1 2020

At home learning guidance

All work will be set online via ClassDojo where you and your child/children will be expected to submit work to receive feedback on.

Links will be provided on your child/ children's account for you to upload photos of their work to their own personal portfolio.

All resources will be added daily for children to complete work to the suggested timetable below- this is the timetable we will be following in school for keyworker children also.

Phonics- We will be learning a different sound or tricky words daily and for children who have completed phonics or at a higher reading ability they will complete a comprehension activity instead. Videos can be found for the sounds on Youtube by simply searching phonics followed by the sound. If children are watching a clip on you tube I would like them to follow it up by writing some words with the sound of they day in and have a go at writing a sentence using the sound.

Literacy- We are following a TWS scheme for witing which the children have been thoroughly enjoying. This term we are writing our very own George and the Dragon story and I will provide information and input for this via ClassDojo.

Maths- We currently follow white rose maths in school and I will provide a daily powerpoint for you to work through each day with your child with a follow up worksheet via Class Dojo.

Whole Class Reading- This term we will begin reading Chinese Fables by Sisho S Nunes- I will provide access to this text via ClassDojo.

RE, PSHCE & Topic work- Will all have resources put on ClassDojo for everyone to access.

Dolphins Spring 1 2020
