Date: Wednesday 7th September 2016

Dear parents and carers,

We are setting up a new school uniform swap, hoping to save parents a few more pennies and raise funds for school at the same time. Hopefully a win-win situation.

We are hoping to run this once a term (because children can grow so quickly!). We are not sure whether the beginning or end of terms would work best for you so we are having a trial first swap at the end of the second week back on Friday 16th September.

We realise it may be a bit late this time round for many of you as you may have already got the uniform you need but please pop in on the day of the swap and let us know what would work best for you in the future even if you don't need anything right now.

How it works:

At the beginning of the week of the swap, please bring to the school office any uniform (in reasonable condition) you have that your children have grown out of.

Preferably bring it sorted in bags per age/size but that's not essential.

On the day of the swap, come to school and have a look what we've got between 3.10pm and 4pm. Buy as much as you like - £1 per item or 3 items for £2.

All money will go to school funds.

If you can't come on the day but there is something particular you would like, please send us an email before the day and our helpful swap assistants will have a look for you. We are happy to put a few items aside for you to pop in and pay for at some point the next week.

Any uniform not purchased will either be saved for the event next term or go into the bags for school collections that also raise funds for school.

We are also considering running a one off at the end of summer term that we would advertise in the village magazine where parents and carers with older children can bring uniforms from high school that their children have grown out of for year 6 parents to buy. Please let us know if you would be interested in that.

Happy swapping!
