

## Subtracting within 20

**Directions:** Use the pictures to help you solve each problem. Cross out the amount to take away, then count how many are left.

$$16 - 1 = \square$$

$$12 - 4 = \square$$

$$11 - 1 = \square$$

$$17 - 3 = \square$$

$$20 - 10 = \square$$

$$19 - 8 = \square$$

$$15 - 3 = \square$$

$$14 - 7 = \square$$
