<p><b>Literacy activities week 1</b></p>		
<p><b>Monday</b> <b>Question focus</b></p>	<p>Read the Gruffalo or any other woodland story as an introduction to our forest and woodland topic. Ask children what they know about wild animals. Define what wild means- Definition below</p> <p><b>What is a wild animal?</b></p> <ul style="list-style-type: none"> <li>• A wild animal is an animal that is, <b>wild</b>.</li> <li>• This means that it isn't <b>tame</b> and it lives on its own without any help from people.</li> <li>• A wild animal finds its own food, shelter, water and all its other needs in a specific natural habitat.</li> <li>• The <b>habitat</b> can be a field, woods, pond, wetland, prairie, park, or your garden.</li> <li>• Wild animals make their home in both the city and the country.</li> </ul> <p>Wildlife includes small creatures that you can only see through a microscope to animals as large as whales!</p> <p><b>Activity:</b> To compose 3 questions about what they would like to find out about wild animals</p>	  

<p><b>Tuesday</b> <b>Sight sentences focus</b></p>	<p>Look up some images of wild animals.</p> <ul style="list-style-type: none"> <li>• Tiger</li> <li>• Snake</li> <li>• Elephant</li> <li>• Meerkat</li> </ul> <p><b>Activity:</b> To write descriptive sentences about them? Can they use adjectives. How many sentences can they write?</p>	
<p><b>Wednesday</b> <b>Question focus</b></p>	<p>Choose a wild animal, if they could speak what would you ask them?</p> <p><b>Activity:</b> Choose a wild animal. Draw a picture of them and ask them some questions about their lives including their habitat.</p>	
<p><b>Thursday</b> <b>Sight sentences</b></p>	<p><b>Activity:</b> To draw a picture from a description of a creature and then write some descriptive sentences about what they have drawn.</p>	<p><b>Description</b> He was the size of a frog, only round and blue. He had boggly eyes and a spiky tail and ears like a mouse. His wings were no bigger than</p>

		daisy petals and he had four paws and was blue.
<b>Friday</b>	<b>Free write Friday!!!!</b>	Spelling test Weekly recording of reading

<b>Maths</b>	<p>We will be following Power maths textbooks and workbooks for maths. Some parents have opted to buy the workbooks as it would be cheaper than printing at £1.99 from amazon.</p> <p>Y1 will be starting to learn about measurements which is the last unit in power maths practice book 1b on Monday. If you can buy this workbook and work through it, that would be great!</p> <p>But if you can't get this workbook if it is sold out at the moment and assuming you won't be able to access the textbook and workbook online, I would suggest buying (if possible) Powermaths textbook 1C for year 1 or 2C for year 2 which is £6.99 and Powermaths practice book 1c (year 1) or 2c (year 2)for £1.99 and working through it together.</p> <p>Here is a link to demonstrate how to use the textbooks for learning and teaching at home.</p> <p><a href="http://go.pardot.com/e/749453/km4t1BF-6iS2jpPvq-index-3-t-0s/51wnx/107030801?h=iQTGLxcnwcQBoxsvPXoBr6toQe4sk_T0QQduZ171uLg">http://go.pardot.com/e/749453/km4t1BF-6iS2jpPvq-index-3-t-0s/51wnx/107030801?h=iQTGLxcnwcQBoxsvPXoBr6toQe4sk_T0QQduZ171uLg</a></p>
